TREASURE ISLAND COLISEUM

Presented today by the California State Commission, Florence M. McAuliffe, Chairman, is the above approved design for the facade of the Coliseum and Livestock Pavilion at the 1939 Exposition. Plans prepared by Sam Heiman, architect of San Francisco, provide for attractive and commodious quarters to house comfortably livestock shows, polo, ice hockey, boxing and wrestling exhibitions and other popular attractions. The length of a city block, the building will seat 8,500.

The first completely air-conditioned train in South America is being put into operation between Buenos Aires and Cordoba by the Central Argentine railway.

RECREATION BOOKS OFFERED AT CITY'S PUBLIC LIBRARY

Animal lovers may find a great variety of books dealing with every type of pet.

Many books give complete details for "making things."

For those with a dramatic turn of mind, books are available.

Adults, too, have a wide list to choose from, covering many phases of leisure time hobbies and recreational activity, such as home

craftsmanship, costume, horticulture, cryptography, pigeon raising, painting, photography and writing.

Books on athletics for young and old start with aquatics and end with wrestling.

New volumes are being received daily.

Children and adults without library cards may consult library.

In co-operation with statewide Recreation Week, the Redwood City Public Library has made available for those interested in hobbies and sports, many books to suit almost any special interest.

These subjects include golf, baseball, basketball, football, fishing, polo, hiking, riding, walking, fishing, bowling, tennis, swimming, sailing, rowing, fencing, mountaineering, boxing, archery, yacht racing, skiing and surf fishing.

For the juniors, there are many books on aeronautics, boat building, mineralogy, flowers, marine fauna, costume, modern mechanics, nature studies, stamp collect-

ing, arts and crafts, scientific and popular hobbies, and lesser known hobbies.

attendants in order to take advantage of privileges the Redwood City Public Library is ready to extend.

As attorneys prepared to "dispose" of the second will by asking for letters of administration under the first, Judge McNutt halted the proceedings, placed Mrs. Oeschger on the stand, and drew from her a confession that the second will had been fraudulently witnessed. There was serious question that Gemur ever signed the 1938 will, Judge McNutt said.

TOO ILL TO SIGN

Apparently, the judge said, the will had been drawn on Gemur's instructions, but when it was presented to him in March for signature he was too ill to read it, and he refused to sign.

According to one story related in court, Mrs. Oeschger again presented the will to Gemur the day before his death, and with her aid he signed it.

In court Mrs. Oeschger denied the statement, declaring that Charles Bonney had forged Gemur's name to the document, Judge McNutt said. Bonney denied this, stating that he arrived by plane from New Orleans a few hours before his step-father's death, and that the first time he saw the 1938 will it was on an attorney's desk with the same signatures it bore in court yesterday.

Mrs. Oeschger admitted securing the signatures of Dr. Albert H. Rowe and Dr. C. L. Mausser, Oakland physicians, as witnesses to the will after Gemur's death. The physicians confirmed the story, but said they had no suspicion that they were doing anything contrary to law.

It was after the 1938 will was filed for probate that the 1932 document came to light, giving Mrs. Oeschger, former Northern California bridge champion, a much larger share of the estate than under the trust agreement.

Mrs. Oeschger on questioning by Atty. Joseph J. Bullock, representing Charles Bonney, told of securing the doctors' signatures.

After the hearing, Atty. Frank Lee Crist of Palo Alto, counsel for Gemur, explained that he had drawn the 1938 will but that he

Fraud Charged In Will Leaving Small Fortune

'Witnessing' Revealed
To Have Occurred
After Death

Superior Judge Maxwell McNutt today prepared to submit to Dist. Atty. Earl Warren of Alameda County details of an alleged conspiracy to validate a will disposing of the \$150,000 estate of Joseph Gemur, Palo Alto service station owner, two days after his death.

Details of the strange case, which the judge characterized as the weirdest ever presented in his court, are being transcribed by the court reporter.

Involved in the case are Mrs. Clara Oeschger of East Palo Alto, Gemur's adopted daughter; Charles H. Bonney, Gemur's stepson; and two Oakland physicians who allegedly "witnessed" the dead man's signature two days after his death in an Oakland hospital on May 7.

TWO WILLS OFFERED

Litigation arose when two wills disposing of the estate were filed in the superior court. One was an holographic will penned by Gemur in Palo Alto in February, 1932, leaving the bulk of his estate to Mrs. Oeschger.

The second will, dated May 6, 1938, created a trust fund, with Mrs. Oeschger and Charles Bonney each to hold equal interests of one-third each, the other third going to Fred Bonney of Wamsutter, Wyo., and Mrs. Blanche Bonney Graham of Spokane, Wash.

As attorneys prepared to "dispose" of the second will by asking for letters of administration under the first, Judge McNutt halted the proceedings, placed Mrs. Oeschger on the stand, and drew from her a confession that the second will had been fraudulently witnessed. There was serious question that Gemur ever signed the 1938 will, Judge McNutt said.

TOO ILL TO SIGN

Apparently, the judge said, the will had been drawn on Gemur's instructions, but when it was presented to him in March for signature he was too ill to read it, and he refused to sign.

According to one story related in court, Mrs. Oeschger again presented the will to Gemur the day before his death, and with her aid he signed it.

In court Mrs. Oeschger denied the statement, declaring that Charles Bonney had forged Gemur's name to the document, Judge McNutt said. Bonney denied this, stating that he arrived by plane from New Orleans a few hours before his step-father's death, and that the first time he saw the 1938 will it was on an attorney's desk with the same signatures it bore in court yesterday.

REMARQUE STORY AT SEQUOIA

Eric Maria Remarque, author of "All Quiet On the Western Front," "The Road Back," etc., finds expression on the Fox Sequoia screen currently with the showing of his "Three Comrades," starring Robert Taylor, Robert Young, Franchot Tone and Margaret Sullivan. Plan Is Held To Be Illegal

The move to annex the Friendly Acres subdivision, located just south of Redwood City on Bayshore Hwy., to this city came to an abrupt end Monday night.

Upon recommendation of City Atty. Albert Mansfield, who explained that a study of legal decisions had convinced him that "strip annexation" is illegal, the city council dropped all proceedings toward calling an election on the annexation protest.

The action came as a triumph for Atty. Ephraim Adams, resident of the district, who had contended at the council's meeting two weeks ago that it would be unlawful to annex the tract by taking in a narrow strip of land a mile long on Bay Rd. in order to make the tract contiguous to present Redwood City. Adams cited cases to Attorney Mansfield, who reported after studying them that he believed that "strip annexation" was not legal if there were protests—which there had been.

When B. J. Smith, spokesman for the annexationists, asked about usage of such means to take in land at Port Redwood City last year, and districts elsewhere, particularly in Los Angeles County, Mansfield explained that such moves had met no protests. Should the strip of land be inhabited, and residents thereon approved, then the move could legally be made, Mansfield said.

Smith pleaded that the council "keep the matter open" in the hope that some means could be found to annex the district yet. He declared that "the majority of residents still want to get into Redwood City."

However, when councilmen inquired if opposition would fade entirely should some means be found by the city of taking over the water system and furnishing city water at a rate lower than that now paid, Attorney Adams declared that he still would be opposed.

"Then apparently our hands are tied," Councilman Harold Anderson remarked.

As a result, it was agreed that the matter was at an end.

Earlier City Manager Dinmitt had advised the council in a communication that protests thus far submitted were not in sufficient quantity to halt plans to call an election, but the subsequent ruling by Attorney Mansfield made the protests of no moment.

Other council action:

believed Gemur had never signed it.

"It is the weirdest story I ever heard," Judge McNutt declared today. "We will forward the transcript of the case to Mr. Warren, because all of the acts took place in Alameda County."

Preview Presented Of Coming Program

Redwood City Exchanges Tuesday night were given a preview of Thursday night's recreation department program to be presented in Sequoia High School Auditorium. Under direction of Miss Marlene Malcolm, a group of girls who are students of the WPA recreation department presented dances, songs, and variety entertainment accompanied by Miss Malcolm. Before the program, H. V. De Armond, local supervisor for the project, explained the activity.

Participating in the program were the following children, all in costumes of various kinds:

Dorothy Cerqui, Pauline Lopez, Margaret Hoffering, Lillian Sanchez, Betty Bean, Anita Lores, Emma Sanchez, Margaret Sanchez, Rosie Ontiveras, Lois Bean, Rita Crayton, Dorothy Ayres, Francis Montano, Terry Cowman, Francis Hargrave, Mary Ayres, Shirley De Armond, Charlotte Bullivant, Arleen Brown, Patsy Borgess, Nora Mann, Myra Dillard, Tillie Vargas, Estelle Sanchez, Jaunita Sereferen, Delphina Regello, Gene Davis, Ellarine Langdon, Essie Boyd.

Group Passes Offered For Use at Hostels

Group passes which for \$5 enable a leader to take any nine members of an organization hosting all through the year are available from the American Youth Hostel Association, Miss Betty Blodgett, field worker, disclosed today. They or single passes may be obtained at the Redwood City Chamber of Commerce office.

The three hostels in San Mateo County, located at Montara, at Pucias Creek and at the head of Bear Gulch Rd., are now ready for visitors with AYH passes. Visitors who hike or bike may cook their own meals on hostel stoves, sleep on double decker bunks, and enjoy the friendliness and democracy around the hostel campfires in the evening," Miss Blodgett said.

3000 Sign Petitions For Pension Plan

Advocates of the California Pension Plan, which would provide \$30 a week for life for every person over 50, here submitted initiative petitions containing names of nearly 3000 San Mateo County voters to the county clerk for checking.

The pension plan calls for a system of tax-bearing state warrants to be issued each Thursday to pension clients, and to be financed by taxing warrant-holders 2 cents weekly on each \$1 warrant.

classes at her home. No protests were made, however, so the council took no action, although members expressed the opinion that they would not permit holding of classes in the first class residential district should it ever be requested.

DANCING SCHOOL

Heard Atty. Wayne R. Millington explain that Miss Dorothy Roberts had no intention of conducting dancing classes at her recently acquired home at 221 Hudson, but planned to continue her school at the St. Peter's Episcopal Church, giving only occasional supplemental instruction at her home. The explanation was offered because it had been reported, Millington said, that some protest might be made to the council in view of the fact a report had originated that she planned

Legionnaires Make Annual Pilgrimage

Redwood City members of the American Legion were among some 400 Legionnaires who attended the 1938 Pilgrimage of the second area in the Veterans' Building at Santa Cruz Sunday. The second area includes San Mateo, San Francisco, Santa Clara, Santa Cruz and Alameda Counties.

Those attending included State Comm. Joseph Long, State Adj. James K. Fisk, Chaplain Father Henry Walsh of Santa Clara, national committeemen and others, who reported on the convention to be held in Los Angeles in September. Oakland has asked for the state convention in 1939 and went on record for San Francisco for the national meeting in 1943.

It was reported the Legion now has a membership of more than 67,000—5375 more than at this time last year. California's quota is 75,000 by convention time.

The 1938-39 budget for education of war orphans will close July 1. Children of veterans who died of service connected injuries are eligible and should apply to Redwood City Post 165, or write to Miss Margaret Anderson, Veterans' Welfare Board, Sacramento.

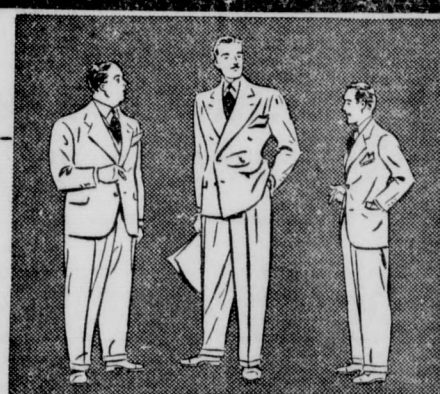

Surplus of Pickers Portends Shortage

San Mateo County is in the midst of its most interesting and complex pea harvesting season, according to Max J. Leonard, county agricultural commissioner, who today predicted an exodus of surplus workers from the pea camps and a possible shortage next month.

Leonard said that due to prolonged rains, the planting season was delayed. Instead of the normal single peak in the harvest, there will be at least three peaks this year, Leonard explained. More workers are on hand now than can be put to work, and Leonard predicted that large numbers of pea pickers would leave the county. Normally they do not return during the same season, he said, making a labor shortage one of the possibilities in the July and August pea crop movements.

China's first railway, 10 miles in length between Shanghai and Woosung, was built by foreign enterprise in 1876. After a farmer had been run over and killed, however, it was purchased by the Chinese government and torn up.

MENLO PARK NEWS NOTES

Miss Carmel O'Keefe left Wednesday to spend the summer at Lake Tahoe. She will be the house guest of Miss Lorraine DeBenedetti, whose family maintain a large estate on the shores of the lake.

J. B. Corvill, who passed away in San Francisco this week, at one time maintained a beautiful home in Atherton. Mrs. Corvill, who died a few years ago, was known as the orchid lady, on account of the rare orchids she wore. Mr. Corvill imported the rarest plants, at a great cost, from South America. Twenty-five years ago Corvill was accounted among the richest men on the Peninsula. Owing to unfortunate investments and litigation he lost the greater portion of his great wealth and died poor.

Miss Frances Becker, the pretty and talented daughter of Mr. and Mrs. F. Becker, residing on Laurel Ave., was married June 14 at San Rafael to Joseph Lemke, of Menlo Park. The bride is a graduate of Sequoia and also of a Southern California college. Mr. Lemke is engaged in business in San Mateo, where the young couple will make their home.

Next Tuesday evening, June 28, St. Joseph's Alumni will sponsor a card party in the Central Grammar School on the highway.

Father Wagner from Seattle, Wash., will be the chaplain at Corpus Christi Monastery for the next three months. Father Wagner was ordained at St. Patrick's Seminary three years ago.

James Doherty has sold his agency for the Associated Oil Co. to Frank Gilmore of San Francisco.

\$336,932 Bill Due For Old Age Relief

San Mateo County's Social Service Division has submitted a budget calling for \$336,932 to be expended in 1938-39 for old age relief. Of this amount, the county will be asked to raise 15 per cent, or \$40,500. Director Charles C. Gans explained.

Under a new state law, effective for one year only, the state's share of old age relief will be increased from 26 per cent to 37 per cent, it was explained. Under the former set-up it would have been necessary for the county to raise \$82,500.

The budget figures estimate the case load at 837 next month, increasing to 875 in July, 1939. Monthly expenditures will increase from \$27,107 to \$28,660 a month in the same period, it is estimated. The department is asking for \$330,000, counting on balances on hand to make up the difference.

Costs will be apportioned as follows: Federal aid, \$165,000; (48

East Bay Gains Building Lead From Peninsula

San Mateo County Is Second in Activity To Alameda

San Mateo County was leading in building activity in the United States a year ago, but now Alameda County has captured the lead, Federal Housing Administration representatives told Peninsula building and finance leaders Tuesday at a Peninsula Lumbermen's Association dinner meeting at Belmont Casino.

The meeting, called to acquaint Peninsula builders, lumbermen, bankers, realtors and others with the true state and needs of housing here, featured talks by Douglas Manuel, executive assistant in the San Francisco regional office; Mark Strang, chief underwriter, and G. F. Ashley, chief architect.

STILL SOUND DISTRICT Manuel, in proclaiming the bay region as the national center of FHA activity, said Californians are using a third of all the loans made in the United States by FHA.

He also said, in pointing out the need for increased activity here, that the east-bay area is strengthening its position to the Peninsula's disadvantage in preparation for the San Francisco World's Fair next year.

Strang, head of the financial side of the San Francisco office, said, "The Peninsula is still the soundest mortgage district the national FHA has."

Ashley urged that lower price homes be invested in by Peninsula builders, since there has been a heavy trend toward that type in the past year.

HIGH PRICES CAUSE He said that relatively high prices of building on the Peninsula are bringing about the gradual slackening of activity—as well as the lack of rapid transportation to the metropolitan area.

The meeting was presided over by Alvin S. Hatch of Half Moon Bay, member of the board of supervisors. Also present were James McKeon, Redwood City, secretary of the Peninsula Lumbermen's Association, and Supervisor Hugh H. Smith, president of the group.

Other local people attending were Ludwig E. Werder, Carl E. Ward, Harold Bickell, James P. Hagen, Perry Bygones, Z. T. Thorning and Carl Stoner of Redwood City, and Kip Morey and John Morey of Menlo Park.

Mrs. Franklin Swart Injured in Accident

Mrs. Adele Swart of Eaton Ave., Redwood City, wife of the late Superior Judge Franklin Swart, suffered head injuries at 5:30 p.m. Tuesday when the car in which she was riding with her son, Rufus F. Swart, collided with the machine of Fred Danford, Summit Dr., Emerald Lake. The accident occurred on the corner of Alameda and Pulgas and Hopkins Ave., Redwood City, local police said. Mrs. Swart was taken to Mills Memorial Hospital, where she was reported recovering today.

Tire buyers are urged to equip their cars "all around" with new tire safety while Western Auto Supply Company's Mid-Season Sale offers famous Western Giants at special sale prices. The local store manager declares that the beautiful Western Giant Silent Grip being shown above is included in the event, which closes Saturday, July 2nd.

FACE LIFTING FOR MUDDY POOL

Beautification Project Near Brisbane Urged By County Planners

The muddy tide-pool at Brisbane near the northerly gateway to San Mateo County on Bayshore Hwy. would be transformed into a sparkling salt-water basin surrounded by trees, lawns, shrubs, and playgrounds under a recommendation adopted at a special meeting of the San Mateo County Planning Commission Wednesday.

Acting on the request of the board of supervisors for a definite recommendation regarding the Brisbane project, the commission urged purchase from the Crocker Estate of 7.6 acres of land surrounding the tide pool.

Planning Adviser Ronald Campbell said the state has consented to allow use of the Guadalupe Canal east of Bayshore Hwy. for City today by the State Highway.

The lagoon lies between the Bayshore Hwy. and the old road to the west. The lagoon would be pumped out and cleaned, and surrounded by park areas on the westerly shore. Included in preliminary plans are two playgrounds, one for apparatus for small children and the other for baseball and other games. The area to the east of the highway would be planted to shrubs.

The plan would coincide with the state's \$11,000 tree and shrub planting program on Bayshore Hwy. in the same area, Campbell pointed out.

Dr. F. P. Cailson of Daly City urged creation of the park to improve the appearance of one of the main entrances to the county. Commissioner Charles A. Buck contended that the development would attract new home owners to the county.

80-FOOT ROAD, REALIGNED, SEEN EVENTUALLY FOR WOODSIDE AREA

Official plans for widening and realigning Woodside Rd. through Woodside were filed at Redwood City Wednesday by State Highway Commission with a request that the planning commission establish necessary setback lines. The modernized highway would be widened to 80 feet and would include reconstruction of the intersections of the Mountain Home and Canada Rds.

Planning Adviser Ronald Campbell explained that the map was prepared at the request of the Woodside-Atherton Garden Club, which asked that the route of the new highway be established in order to permit the club to proceed with its plans to preserve old landmarks and to beautify the highway by planting native ornamental shrubs.

He said there was no indication of the date when construction might start.

The present road, part of the state highway system, has been widened to a point west of Woodside. Present right-of-way is 66 feet wide. The 150-foot traffic separation strip at the Mountain Home Rd. intersection would be lengthened to about 500 feet, and the plans include service roads between Whiskey Hill and Woodside.

Canada Rd. intersection would be reconstructed to join the Mountain Home Rd. in a single right-angle intersection, according to the plans.

COUPLE WEDS AT RENO

That Miss Mary Anne Johnson of Redwood City had become the bride of Herbert W. Goff of San Francisco in Reno Saturday was revealed today in Associated Press dispatches from the Nevada city.

World's Fair Program Laid

A tentative agreement to appropriate \$22,000 in the next two years' county budgets for advertising the Peninsula during the World's Fair next year was reached by the board of supervisors Tuesday afternoon when they met with representatives of San Francisco Peninsula Inc. formed for publicizing this area in connection with the Golden Gate International Exposition.

The appropriation of the funds, which would be raised by a 1-cent levy in the tax rate for this coming year and for next year, is contingent upon cities of the Peninsula agreeing to aid financially in the program. Santa Clara County also will be asked to make an appropriation because of the fact the part of that county will be included in SFPI's program.

Large business firms also are expected to contribute, so that a total fund approximating \$50,000 is expected to be available. Advertising will be placed with a national agency, experienced in such campaigns, so that it will do the most good for the Peninsula with visitors coming to the fair.

It is figured that a tenth of the visitors will remain in California to make their homes. Should San Mateo County not extol its advantages to these people, it is feared, they will go elsewhere to live.

Besides advertising in outside publications, SFPI would arrange for displays at the fair on Treasure Island; would distribute literature to the visitors, and otherwise arrange to publicize the Peninsula where it would do the most good.

Under the plan agreed upon by the county board and County Executive E. A. Rolison, the burden would be spread over two years so that the levy would be no more than at present for advertising purposes. By leaving

all county advertising up to SFPI, duplication and waste would be avoided, the board believes.

Meeting with the supervisors were Granville Browning, secretary of SFPI; David D. Bohannon, chairman of the organization's finance committee, and Sam H. Winklebeck, chairman of the advertising committee. SFPI is a non-profit corporation with 25 directors from all sections of the Peninsula.

State Office Offers Information on Jobs

All persons in search of employment regardless of whether in agriculture or industry or on the Central Valley Water Project should apply to the county office of the California State Employment Service for the latest, most accurate information, according to Wade Sargent, manager of the office of the California State Employment Service.

CCC POSITIONS OFFERED
Opportunity for 38 San Mateo County youths to enroll in the CCC was offered today. Information may be obtained by contacting Mrs. Nina I. Jackson, 430 Peninsular Ave., San Mateo.
The office is open daily from 8 a.m. until 5 p.m. and on Saturdays from 8 a.m. to 12 noon. Information may be had on all types of employment in the state and working conditions in other states.

PLANS FOR NEW LIBRARY, HALL ARE STUDIED BY COUNCILMEN

What Redwood City's proposed new library and city hall would be like was disclosed to the city council Monday when Architect James W. Mitchell presented first drawings of the structures.
The hall, which would be an extension on the north side of the present building on Middlefield Rd., would include in the new section space for the clerk-treasurer, manager, secretary, building inspector, tax and water department, and vaults on the first floor, and engineering and other offices on the second floor. The present hall would be converted into a police station.
The library, to be located just north of the hall extension, would be one story high, and would include a main reading room, a children's room, a story hour room, a librarian's office, work room, cataloging room, stacks and meeting room for the trustees.
Architect Mitchell was directed to prepare detailed cost estimates both for brick and for concrete construction. It is expected he will report back in two weeks, at which time it may be decided whether the new buildings should be of brick, to conform with the present city hall, firehouse and nearby Congregational Church, or of concrete with stucco finish, to conform to the nearby postoffice and business buildings across the street. It was pointed out that the present city hall could easily be stuccoed to make it similar in appearance to the proposed extension.
Construction of the buildings would be financed with bond issues, under present plans, which would have to carry by a two-thirds vote of the electorate. However, City Manager C. L. Dimmitt was authorized to apply for PWA grants for 45 per cent of the cost. If the grants are forthcoming, the city thus would be required to bear only 55 per cent of the cost. The propositions would be voted on separately, but likely at the same election, councilmen decided on recommendation of City Atty. Albert Mansfield, who said that it was necessary the projects be listed separately on the ballot. Cost of each building is expected to be around \$70,000 or \$75,000.

World's Fair Tickets Still Available Here

That there still are available in Redwood City some of the \$5 scrip books and \$20 season passes for the coming Golden Gate International Exposition was disclosed Monday by J. P. Hagan, local ticket committee chairman, who said that the tickets would be kept here this week for benefit of those who failed to purchase them during the regular sale, which closed Saturday. They may be secured at any bank or at the Montgomery Ward & Co. or J. C. Penney Co. stores. Deposits of \$1 and \$5 for the tickets or passes, respectively, also will be accepted.

Mrs. Frances Perry Dies at Home Here

Mrs. Frances J. Perry, a resident of Redwood City for the past three years, passed away at noon Monday at the home of her daughter, Mrs. Adeline Douglass, 152 King St.
Mrs. Perry, who was a native of France, was 65 years of age. Her husband was the late James Perry. Another daughter, Mrs. Katherine LaSalle of Colorado, and a son, Louis Paul Perry of Los Angeles, survive.

M. P. Pushes Paving Plans

MENLO PARK, June 22—Based on the expectancy of obtaining WPA aid, a resolution authorizing work to proceed on the improvement of central Menlo Park streets will be introduced before the city council next Tuesday evening. Since no protests were received at last night's public hearing from property owners involved, the council anticipates quick passage of the resolution.

Engineer Bert Mehl advised the council that the city stood an excellent chance of obtaining WPA assistance on the paving program, which would cut the work assessments at least one-third from the preliminary cost figures supplied by him.

Sidewalks, curbs and gutters will be built and pavements extended the full width of the thoroughfare on University Dr., Menlo Ave., portions of Crane, Chestnut, and Evelyn Sts. between Santa Cruz and Live Oak Aves., and portions of Santa Cruz Ave.

City Atty. James T. O'Keefe Jr. advised the council and the public that 5 per cent, 10-year bonds were anticipated under the paving act. Final assessments against each property holder will be fixed by the engineer of work upon completion of the job. His assessments are subject to review before the council, sitting as a board of equalization.

At the conclusion of the public hearing, the council accepted the resignation of Mrs. Frank Perry as policeman, effective July 1.

It approved the introduction of an amended dog license ordinance, which will boost the annual fee on male dogs from \$1 to \$2.50 and on females \$2 to \$3.50. The new price includes an anti-rabies injection for each dog.

Atherton Sewerage District Plan Delayed

ATHERTON, June 23—Further legal investigation will be necessary before steps can be taken to provide sewage disposal facilities to the northwestern Atherton section. It was agreed at an informal conference in the Atherton Town Hall

late yesterday. Annexation to the Menlo Park District was favored over the formation of a new district, which would require organizing a board of commissioners and setting up a working staff. It was suggested that a WPA grant would be sought.

CATHOLICS ASK BETTER QUALITY IN LITERATURE

Catholics of San Mateo County in union with all Catholic churches of the Archdiocese of San Francisco on Sunday pledged themselves to participate in a crusade against pernicious literature.

Under auspices of the National Council of Catholic Women and the Catholic Men's group, it is hoped that the campaign for clean reading will do for literature what the Legion of Decency is doing for motion pictures, it was explained.

The pledge follows:
1. I pledge myself to discourage the publication, distribution and sale of magazines and other periodical literature which:
a. Glorify crime and criminals.
b. Contain matter which is predominantly sexy.
c. Feature illicit love.
d. Print indecent or suggestive pictures.

e. Carry disreputable advertising.
2. To this end I pledge myself:
a. To refrain from purchasing, reading or spreading such literature, and to endeavor to restrain those under my jurisdiction or influence from so doing.
b. To refuse patronage in any form to those places of business which persist in displaying, offering for sale, or selling such literature, or providing it for the entertainment of patrons who are waiting to be served.
c. To refuse patronage in any form to those firms which use such literature as an advertising medium.
d. To patronize those places of

Scout Regatta Loss Deplored

Decision to ask regional scout headquarters in Los Angeles why the annual Sea Scout Regatta was taken away from Redwood City, where it originated and has been held for four years, was reached by the city council Monday night.

In addition, it was decided, a strong bid will be made for return of the affair to Redwood City for 1939 if it cannot be regained for this September.

The action came after Max J. Leonard, county agricultural commissioner who has long been a leader in Sea Scout activities, appeared before the council to "apologize for the 'trick' scouting has done to Redwood City."

Leonard, who was accompanied to the meeting by "Skipper" Howard King, explained that no reasons had yet been given by scout headquarters for the mysterious announcement which transferred the regatta to Alameda for this coming Labor Day week-end. He said that Regional Executive Raymond O. Hanson of Los Angeles had been asked by him why the event was moved from the city where it originated, but that no reply had as yet been received.

Following brief discussion, at which several councilmen expressed regret at losing the event, Councilman Paul McCarthy moved that "an expression of regret be sent to scout headquarters in Los Angeles that Redwood City was not selected this year, particularly in view of the expression given by scouts at the regatta last September that it should be held here again; that inquiry be made as to whether any circumstances of lack of hospitality on the part of the city or lack of facilities caused the change; and that the hope be expressed that in the future the regatta may be held at Redwood City Yacht Harbor as it has been in past years."

The motion was carried unanimously.

The new applications are drawn up on the same terms as the present agreements, according to Dimmitt. Under the agreements the city supplies about \$100 a month, for which the aid of up to 32 WPA workers is available. The applications ask for renewal until December 31 of this year, which ends the six-month term.

Ten Grass Fires Keep Firemen Busy

MENLO PARK, June 20—Careless burning of weeds was responsible for 10 grass fires in the Menlo Park district over the week-end. Fire Chief E. D. Hara said today. He warned residents the grass fire hazard is at its worst and reminded them that burning permits are required by law.

Permits may be obtained at the headquarters fire station on Merrill Ave., Ravenswood station on Manhattan Ave., or the Atherton station on Alameda Ave.

One grass blaze yesterday at the end of Lemon Ave. in Menlo Park burned over three acres and threatened six small dwellings and two larger structures. Three calls were answered Saturday, six yesterday and one this morning.

Japanese scientists say that the four islands comprising Japan proper are sinking on the eastern coasts and rising on the south.

DON'T BE FOOLED!

Don't sign any Initiative Petitions proposing Measures claiming to help LABOR.

Two petitions are being circulated locally BY THOSE WHO SEEK TO DESTROY ORGANIZED LABOR! Don't be tricked by their misrepresentations.

LABOR is NOT circulating or endorsing ANY Initiative Measure or Petition.

Organized Labor is not proposing or considering any submission of our problems to a public ballot in November.

LABOR must FIGHT for its existence—TELL YOUR FRIENDS NOT TO SIGN!

One of these proposed measures, if passed, would destroy over 1/2 of the labor organizations in the state—and would leave little reason for the existence of others. The other would destroy almost all of the benefits organized labor has gained in the last 10 years.

69 Peninsulans Granted Degrees From Stanford

Among 1144 students receiving degrees at the 47th annual commencement exercises of Stanford University Sunday were 69 from San Mateo County.

Staged with customary academic ceremony, the exercises were held in Lawrence Frost Memorial Amphitheater, with former President Hoover, a member of the Stanford Board of Trustees, among the spectators.

Bachelors' degrees went to 820 students. Advanced degrees, including 23 doctorates of philosophy and 63 doctorates of medicine, were granted to 324 other students.

In a short address, Dr. Ray Lyman Wilbur, president of the university, warned against prejudice and unreasoning emotional reaction. He referred to these traits as "blind

spots," which he said probably were the greatest handicap to learning. He announced gifts amounting to more than \$500,000 for the current academic year. Largest was \$75,000 from the Rockefeller Foundation of New York for a fluid research fund in medicine.

Arthur Howland Young, former vice president of United States Steel Corp., urged the application of the golden rule in all human associations and appealed to the students to "regard situations of whatever magnitude as 'challenges' rather than 'problems'."

Dr. George A. Buttrick, pastor of the Madison Avenue Presbyterian Church of New York City, preached the baccalaureate sermon yesterday morning.

Degrees awarded San Mateo County students:

Rev. Owen Returns To M.E. Church Here

Rev. W. J. Owen of Redwood City and most other Peninsula Methodist pastors were returned to their churches Monday as the California Annual Conference of the Methodist Episcopal Church went into its closing session at Stockton.

Assignments included: Burlingame, J. Douglas Ewan; Palo Alto, Jesse Lacklen; Mayfield, Harry Pressfield; San Bruno, H. D. Harkins; San Mateo, W. E. Johnson; Sunnyvale, Bernard Anderson; Robert L. MacArthur has been pastor at San Mateo.

The various kingdoms and states that now make up the Republic of China were organized into one empire for the first time by Emperor Ch'in Shih Huang-ti (221 B. C.).

Lambeth Palace has been the residence of the archbishops of Canterbury for six and a half centuries.

POLITICAL NOTES

ANDERSON INDORSED BY GOP COMMITTEE

John Z. (Jack) Anderson of San Juan, Republican candidate for congressman from this district, now bears the indorsement of the Eighth District Republican Congressional Committee. The indorsement was given at a meeting held at the home of Fentress Kuhn, who withdrew his candidacy. The session preceded Monday night's talk by Anderson before supporters at the Burlingame was given unanimously.

DEMATEIS, WIFE RETURN

Louis B. Demateis, deputy district attorney who was married May 29, returned to his office Monday after a three-week honeymoon through Oregon. Mr. and Mrs. Demateis are living at 604 Stambaugh St.

Loma Mar Burglar Granted Probation

Melvin Clark, Memorial Park camp enrollee who admitted burglarizing the Loma Mar store, Monday was admitted to three years' probation by Judge Maxwell McNutt on condition he serve six months in the county jail. He was given credit for time served.

John Fischer, Fred Wette and Joseph Fischer, arrested at "The Bowl" in Millbrae three months ago and held on charges of book-making, were arraigned before Judge McNutt.

Frank Nobles, ex-convict charged with an assault on a pretty San Francisco night club dancer, must stand trial, Judge A. R. Cotton ruled after a hearing on Nobles' plea that he was being placed twice in jeopardy for the same offense. He claimed that he had been tried and acquitted in San Francisco on the same charge, July 5 and 6 were set as dates for the trial.

Freddie Needles, charged with an assault on a 12-year-old Redwood City girl, pleaded guilty and asked for probation. The case was continued three weeks.

C. L. Grimmer Opens Own Tire Sales Shop

Launching of his own tire business at 1102 Main St. under name of the McClaren Tire Co. was announced here by Clarence L. Grimmer of 11 Dumbarton Ave., Redwood City.

McClaren tires and tubes will be sold both to wholesale and retail trade, Grimmer said.

Iowa's 2 per cent assessment on all new car sales yielded \$1,334,082 in its first year, which ended Apr. 16, state tax officials reported.

Council Seeks 3 PWA Grants For Buildings

New Building Projects Win Approval; Hall, Library Plans Seen

A half dozen steps to stimulate construction in Redwood City were taken Monday by the city council in its bi-weekly session that lasted but five minutes of lasting four hours.

The council: 1. Decided to seek PWA grants for (a) new facilities at the Port of Redwood City costing \$87,828; (b) a new public library estimated to cost \$75,000, and (c) a new city hall estimated to cost \$70,000.

2. Approved plans of A. B. Cheatham to erect a \$7000 store building on Southern Pacific property on El Camino Real at Claremont St., as recommended by the planning commission.

3. Approved plans of Carl Stoner to build a galvanized iron warehouse as an addition to his Redwood Materials Co. plant on Maple St. near El Camino Real, as recommended by the planners.

4. Approved plans of J. B. Oswald to construct a home on Melrose Pl. between Arlington and Edgewood Rds. providing adjacent property owners have no objection to the setback line being only 20 feet instead of 30 where the street curves.

5. Approved plan of Thomas Nelson to build a home on Lot 9, Lexington Park, Myrtle St. where lot is only 50.4 feet in rear although it is 59 feet wide at the front, the lot being 150 feet deep.

6. Agreed tentatively to permit repairs to be made to house at 936 Fulton St. which the citizens' "Clean Up During 1938" committee had recommended be razed, but delayed definite action for another two weeks to give other council members opportunity to view the place.

EVA DENIED PERMIT

The council did reject one application for a building permit on a lot of smaller size than required by zoning laws. The application was made by former Councilman James M. Eva. He asked that he be permitted to construct a home on the rear 50 feet of his lot. The house would face on Elwood St., where there would be a 50-foot frontage, but would be only 65 feet deep. This would leave his present house at 435 Brewster Ave. on a lot with 65 feet frontage and with depth of 80 feet, he explained.

In presenting his application, Eva said that his present yard was too large; that he would build a \$5000 house immediately on the other portion if so allowed; that procedure had been initiated by the planning commission to rezone the district for apartment houses, which would permit such construction as that he sought; that there are four other such constructions on Elwood St., although they were built before the zoning laws were passed.

Only Councilman Evans A. Fletcher looked with sympathy on the proposal to allow the construction, however. Other councilmen pointed out that it was customary to require a minimum sized lot of 50x100 feet in first class residential zone; that the move to rezone the area would be vigorously opposed and consequently might not be completed; that the zoning law should not be so far violated because it might tend to depreciate nearby property.

RULES 'TOO STRINGENT'

Eva declared that he believed Redwood City lots "are too large and building restrictions are too stringent," and read a recently published Tribune "Building Barometer" which showed that while Redwood City's construction in 1938 to date was only \$230,964 compared with \$524,000 last year, San Carlos' building totaled \$580,100 this year, compared with \$240,000 last year at this time.

This was answered by Councilman Paul A. McCarthy, who explained that "a claim of this city for fine residential character is its good zoning law."

The PWA grant for new port facilities, if given, would total \$39,523 (45 per cent), with the city putting up the other \$48,305. This would provide for completion of the wharf and construction of a 100x300-foot warehouse, both needed if the port is to expand, it was explained. The city's share probably would be obtained from sale of a part of the \$66,000 in bonds voted June 11, 1936, in the \$266,000 port construction bond issue but not issued when a PWA grant was obtained.

Plans for the proposed new library and city hall were discussed at length with Architect James W. Mitchell, who presented preliminary plans for the structures, as detailed on page 3 of today's Tribune.

WITHIN FIRE ZONE

Stoner's plans for the expansion at his material plant needed council approval because the new structure, not fireproof, will be only 88 feet from El Camino Real instead of the 125 feet required by city zoning

Ants Foiled; Trees Given New Collars

Ants which try to climb trees on King St. will find themselves "lost in an impenetrable forest" if they attempt to go through the new "collars" just installed on 100 beeches.

Under city direction, the Owen-Illinois Glass Co. has just completed installation of spun glass tree bands on the city-owned trees, Maurice Biddle, distributor for the firm, announced today.

The bands, which have the appearance of a collar, fit tightly on the tree, but have enough "give" to be good for from three to five years, Biddle estimated. The band works its way into the tree so that ants or other insects cannot sneak up under it. Should they try to crawl through the band, they become "lost" in the maze of tiny glass particles. If they try to go over the band, they fail, too, because the glass is treated to prevent such a circumvention of purpose.

Esperanto, an artificial language, was originated in 1887 by Dr. Zamenhof, a Russian physician.

Plans of Cheatham for his new store, to be used as a distributing unit for Vernon pottery and electrical equipment, drew some opposition because of his intention to construct the building of stucco instead of concrete in full accord with restrictions for the fire zone. However, when it was pointed out that the structure will be isolated from other buildings, and will be of a fire-resisting substance, the council voted 4-2 to grant the permit.

Councilmen George McNulty and William Hohn were in opposition. McNulty explaining that his action was "not because I'm against Mr. Cheatham but I am against violating the building ordinance." Councilman Robert N. Jones was not present, being absent on vacation.

Consideration of the house at 936 Fulton provoked some discussion of the clean-up move, and drew from Councilman Fletcher the accusation that the house was being allowed to stand because it was owned by the aunt and uncle of Lisle Winter, city-employed engineer who had appeared before the council several times asking that it be allowed to remain if painted and improved. Other councilmen, however, including McCarthy, McNulty, Hohn and Anderson, vigorously denied that personalities had entered into the case, declared that the matter was being decided strictly on its merits.

Other cleanup moves were delayed when Attorney Mansfield explained that he had mailed out notices to several property owners only two days before, asking them to appear to show cause why their holdings should not be razed. It was reported, however, that a house at 20 Poplar St., complained of previously, was being demolished.

New Pleas Planned For Highway Funds

Supervisor John W. Ratto of San Francisco, president of Joint Highway District 9, today was compiling financial information to present to the San Francisco Board of Finance committee this Friday which he hoped would result in a recommendation that an allotment be made to the district for construction of the Lobos-Egan Hollow sector of Ocean Shore Blvd.

Attempts of Ratto to get the allotment last Friday failed but finance committeemen promised further consideration when figures were presented showing what commitments the San Francisco board still has in its various highway districts, and what revenue might be expected. Ratto is now securing this information.

STATION BURGLARIZED

MENLO PARK, June 23 (The Press-Enterprise)—Thirteen dollars was reported stolen from the Wolverson Service Station at Middle Avenue and El Camino Real today. Police Chief Foster Andrews said that the burglar had removed the door latch during the night and took the money from a cash drawer.

There have been 14 weddings in the White House since 1811.

Soil Conservation District Assured

Formation of a 3700-acre soil conservation district to check erosion in the fertile Colma Creek valley seemed assured today following a meeting of property owners with County Engineer U. S. Marshall and Dep. Dist. Atty. Daniel E. Sullivan in South San Francisco yesterday.

Marshall said this morning that owners of 1970 acres, more than the 50 per cent required by the state soil conservation act, had either signed or had promised to sign the petition to the board of supervisors asking that the district be formed. It is also necessary to secure signatures of 50 per cent of the property owners. Only 20 of the 50 owners attended yesterday's session.

Next step, Marshall said, would be to circulate the petitions throughout the district. Within a week or two, he estimated, sufficient signatures will have been obtained to warrant action by the supervisors.

Production of quick frozen foods in the United States this year is expected to total about 480,000 pounds, almost three times the output in 1936.

SPECIAL NOTICE!

Attention is called to the provisions of Section 3 of the Political Code, a new section being added and numbered 3817D. This section prohibits the Tax Collector from selling any unredeemed property at Auction in the years of 1933, 1934, 1935, 1936, 1937, therefore in compliance with the law, none of the property listed in the ADDENDA to this list will be offered for sale June 27th, 1938.

Section 3817D reads as follows: "Notwithstanding the provisions of Sections 3864 and 3771A of this code, no sale at auction to the public shall be made of unredeemed property in the years 1933, 1934, 1935, 1936, 1937 or 1938, but at the day and hour fixed for the sale in accordance with subdivision two of Section 3764 of this code, all property otherwise subject to sale to the public shall be deeded to the State as provided in Section 3785 of this code.

"No sale of any property shall be made in accordance with the provisions of Section 3897 of this code, after the effective date of this act and prior to the first day of January, 1939."
